Huijue Communication Technology Fiber Distribution Box

Overview

Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical distribution network. Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical distribution network. Huijue Net integrates prefabricated buildings and intelligent modular data center technologies. Integrating intelligent temperature control, power supply, lithium battery and AI technology Huijue Net cabinet adopts modular design, simple installation, easy expansion, rich accessories, and meets the. Supply High Quality Fiber Optic Components As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. Covering. The 12-core SMC fiber distribution box/box HJ-GF-KCW-12A adopts a welding and separation structure and has welding and wiring functions. Note: Specifications are subject to change without prior notice for product improvement. It is suitable for FTTH fiber optic home projects, residential. Company Introduction:Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products.
