

# Huijue High-Strength Cable Tray Manufacturer

## Overview

Our company is located in Denizli/Turkey and continues its success in cable production and cable machine production rapidly and progresses more and more each day.

## Key Takeaways

Huijue Group is a high-tech manufacturer offering high-strength stainless steel cable trays with extensive production capabilities and global distribution.

## Company Overview

Huijue Group, founded in 2002, is a comprehensive high-tech enterprise based in China, integrating communications, energy storage, and new energy technologies. The company operates four major production bases in Shanghai, Yangzhou, Haian, and Huizhou, covering over 200,000 square meters, and employs a large workforce to support R&D, production, and sales globally. Huijue emphasizes quality management, implementing standards such as GB19580, ISO9001, ISO14001, and OHSAS18000, ensuring reliable and durable products.

## Cable Tray Products

Huijue manufactures high-strength cable trays, including stainless steel series suitable for industrial, commercial, and infrastructure applications. These cable trays are designed to support heavy electrical cables, provide robust mechanical protection, and facilitate organized cable management in data centers, telecom sites, and smart building projects. The trays are engineered for durability, corrosion resistance, and high load-bearing capacity, making them suitable for demanding environments.

### **Applications and Advantages**

**Industrial and Commercial Use:** Ideal for factories, power plants, and large-scale commercial buildings. **Telecom and Data Centers:** Supports structured cabling systems and ensures reliable power and data transmission. **Smart Infrastructure:** Compatible with smart city and energy-efficient building projects.

Huijue's cable trays are part of a broader portfolio of energy storage and network communication solutions, allowing integrated deployment in modern ICT and energy systems.

### **Global Reach**

Huijue exports its products to Europe, North America, Southeast Asia, and other regions, providing a comprehensive service network for installation, maintenance, and technical support. Their integrated service model ensures that customers receive both high-quality products and professional guidance for system integration.

### **Key Takeaways**

Huijue Group is a reliable manufacturer of high-strength cable trays, combining advanced materials, robust engineering, and global service capabilities. Their products are suitable for heavy-duty applications in industrial, commercial, and smart infrastructure projects, backed by strong quality certifications and extensive production experience.
