

# Malaysia's Reputable Electrical Distribution Box Supplier

## Overview

Box, Huat Phui Electrical Hardware Supply Sdn Bhd, established in 1997, is a Selangor-based manufacturer and wholesaler of electrical appliances, hardware, and meters in Malaysia.

## Key Takeaways

Leading suppliers of electrical distribution boxes in Malaysia include Powerwell Group, SME Electric, Toyo, and various B2B marketplace vendors.

## Key Suppliers

Powerwell Group Powerwell specializes in the design, manufacturing, and trading of electrical distribution products, including low and medium voltage switchgear and distribution boards. With over 25 years of experience, they provide high-quality, customized solutions for both local and international projects. Their headquarters is located in Pulau Pinang, Malaysia, and they are recognized as a leading switchboard manufacturer in the country (Powerwell Group).

SM

E Electric Sdn. Bhd.

SM

E Electric offers a range of distribution boxes, including explosion-proof and industrial enclosures. They are based in Puchong, Selangor, and cater to industrial and commercial applications, providing durable and reliable electrical distribution solutions (SME Electric). Toyo Distribution Box Toyo manufactures indoor metal distribution boxes designed for safe and organized power distribution.

Their products are suitable for residential, commercial, and industrial use, offering strong durability and efficient cable management. Toyo is located in Puchong, Selangor, and works with local suppliers like Huat Phui Electrical Hardware Supply Sdn Bhd (Toyo).

B2

B Marketplace Suppliers Platforms like ExportersIndia list multiple Malaysian manufacturers and suppliers of distribution boxes, including wall-mount fiber distribution boxes, DB panels, and modular distribution boards. These suppliers provide products rated for high current loads, IP66 waterproofing, and industrial-grade durability, suitable for commercial and industrial applications (ExportersIndia).

### **Additional Notable Companies**

Tenaga Cable Industries Sdn Bhd (TCI) – Power cable manufacturer and distributor, offering low and medium voltage insulated cables for distribution systems.

BP

E Energy Sdn Bhd – Provides electrical system maintenance and submarine cable solutions for offshore platforms.

ET

D Transmission & Distribution Sdn Bhd – Specializes in substation control and automation systems.

IE

P Sdn Bhd – Supplies industrial and commercial electrical products, including UPS, plugs, sockets, and fuses. Power Economy – Offers medium voltage power distribution solutions, air-insulated switchgear, and advanced protection systems (Ensun.io).

### **Summary**

For sourcing electrical distribution boxes in Malaysia, Powerwell, SME Electric, and Toyo are among the most established suppliers, offering a range of products for residential, commercial, and industrial applications.

B2

B marketplaces provide additional options for specialized or high-capacity distribution boxes. When selecting a supplier, consider product type, durability, compliance with safety standards, and the supplier's experience in handling local and international projects.
