

Slovenia s wire mesh cable tray industry

Overview

Slovenia Wire Mesh Market (2025-2031) | Analysis & ValueOur analysts track relevant industries related to the Slovenia Wire Mesh Market, allowing our clien.

Key Takeaways

Some notable Slovenian companies offering wire mesh cable trays include Elba d.o.o., Bevec d.o.o., Spina Group, and Jeetmull Jaichandlall.

Key Companies

Elba d.o.o. Elba is a leading Slovenian manufacturer and distributor of products for electrical installations, including wire mesh cable trays. They use advanced machinery such as TRUMPF laser machines and computer-guided bending equipment to produce high-quality trays from stainless steel, brass, and aluminum.

Their products can also be powder-coated for durability and aesthetic appeal, and they offer expert advice and custom manufacturing services. Bevec d.o.o. Bevec specializes in cable trays for industrial, transport, and infrastructure applications.

They manufacture trays ranging from 50 to 600 mm in width and 50 to 60 mm in height, using galvanised, hot-dip galvanised, or stainless steel sheets. They also provide powder-coated options and a wide range of bends, couplers, and accessories for flexible installation. Spina Group Spina Group offers a complete range of wire mesh cable trays designed for ventilation, cleanliness, and fast installation.

Their trays are available in galvanised, stainless steel, or electro-zinc finishes. They provide compatible accessories such as floor supports, suspension brackets, and universal clips, making their systems suitable for industries like telecommunications, construction, food processing, and oil & gas. Jeetmull Jaichandlall This company is recognized as one of the top cable tray manufacturers in Slovenia.

They focus on high-quality wire mesh trays with various sizes, shapes, and colors. Their manufacturing facility uses modern equipment and advanced technology to ensure durability and compliance with industry standards. Brilltech Engineers Pvt.

Ltd. Although based internationally, Brilltech supplies cable trays in Slovenia. They offer perforated and wire mesh trays made from galvanized steel, stainless steel, and fiberglass.

Their products emphasize airflow, cable protection, and easy installation, and they provide design and installation support.

Summary

These companies provide a range of wire mesh cable trays suitable for industrial, commercial, and infrastructure projects. They offer customization, durable materials, and installation accessories to meet diverse requirements. Choosing a supplier depends on your specific needs, such as material type, tray dimensions, and project scale.
