Sri Lankan optical module supplier

Overview

Top 6 Optics Manufacturers in Sri Lanka (2026) | ensunIdentify and compare relevant B2B manufacturers, suppliers and retailers. Max. Vision Care is a promi.

Key Takeaways

George Gooneratne Optometrists and Highray Optical Industries are key local manufacturers of optical products in Sri Lanka.

Key Local Manufacturers

George Gooneratne Optometrists is a pioneer in the Sri Lankan optical industry, operating for over 50 years with more than 18 branches nationwide. Their production is handled by Highray Optical Industries, which manufactures a wide range of optical products, including lenses with advanced multi-coating technology, entirely within Sri Lanka. They supply optical products to opticians across the country, ensuring high-quality standards and local availability.

SF

O Technologies Pvt Ltd is recognized as the largest optics supplier in Sri Lanka, accounting for the highest number of shipments in the country. While primarily focused on exports, they are a significant player in the optical module and components sector.

Other Notable Optical Companies

Several other companies contribute to the optical industry in Sri Lanka, though some focus more on distribution or specialized services rather than full-scale manufacturing: Vision Care Optical Services: Offers high-quality lenses and eyewear, emphasizing advanced technologies and eye care solutions. Eric Rajapakse Opticians: Provides lenses with features like scratch-proof and anti-reflective coatings. Spexbay: Manufactures prescription eyewear, contact lenses, and sunglasses, with innovative services like home eye check-ups.

Optima Technologies: Specializes in optical network testing equipment, including Optical Time Domain Reflectometers (OTDRs) for fiber optic networks.

Industry Overview

The Sri Lankan optical industry combines local manufacturing with import and distribution networks. Local manufacturers like Highray Optical Industries focus on producing lenses and optical modules, while other companies provide specialized equipment, eyewear, and optical services. The sector is growing, driven by demand in healthcare, telecommunications, and consumer eyewear markets.

For sourcing optical modules or components in Sri Lanka, George Gooneratne Optometrists/Highray Optical Industries and SFO Technologies Pvt Ltd are the primary manufacturers to consider, offering both local production and export capabilities.
