

TLP181GR Optical Coupler Price

Overview

Find the best pricing for Toshiba TLP181GR by comparing bulk discounts from 7 distributors. Octopart is the world's source for TLP181GR availability, pricing, and technical specs and other electronic parts.

Key Takeaways

The TLP181GR optical coupler is priced approximately between \$1. 50 and \$3. 50 per unit, depending on the distributor and quantity purchased.

Pricing OverviewAliExpress offers a single TLP181GR unit for around \$2. 50, with free worldwide shipping and limited-time promotions available.

Digi

Key lists the TLP181GR with pricing that varies based on quantity, typically around \$3. 00 per unit for small orders, with bulk discounts available. Mouser Electronics provides similar pricing, generally in the \$2.

50-\$3. 50 range, depending on order size and shipping options.

Key Specifications

Output Type: PhototransistorNumber of Channels: 1Isolation Voltage: 3750 VrmsInput Current: 16 mAOutput Voltage: 80 VOperating Temperature Range: -55°C to +100°CPackage: Mini-Flat, 4 pins (SOP4)Certifications: UL, VDE Purchasing TipsBulk Orders: Prices per unit decrease significantly when ordering in larger quantities from distributors like DigiKey or Mouser. Authenticity: Ensure the supplier provides original Toshiba components to avoid counterfeit parts. Shipping: Check shipping costs and delivery times, especially for international orders.

Overall, the TLP181GR is widely available from multiple distributors, and the price is generally consistent across reputable suppliers, with minor variations depending on quantity and shipping options.
