

What are some cable tray companies in Singapore

Overview

Explore a wide range of cable trays from Ferrograte, including perforated, ladder, FRP, and wiremesh trays—ideal for efficient cable management systems.

Key Takeaways

Some notable cable tray brands in Singapore include Cablofil International, Legrand, StarTech.com, Ferrograte, and FME by Foresight Metal Engineering.

Leading Brands and Suppliers

Cablofil International, Legrand, StarTech.com – Available through RS Singapore, these brands offer a wide range of cable trays suitable for commercial, industrial, and residential applications, including wire mesh and steel trays, along with accessories like cable binders and marker strips for organized installations. Ferrograte – Supplied by Ferrotech, Ferrograte provides perforated, ladder, FRP, and wire mesh trays designed for efficient cable management systems in industrial and commercial projects.

FM

E (Foresight Metal Engineering) – Foresight Metal Engineering specializes in metal cable trays, trunkings, and ladders under their FME brand, offering both standard and customized solutions for diverse project requirements in Singapore.

United U-

Li Projects Pte Ltd – Offers a comprehensive range of cable trays, cable ladders, trunkings, conduits, and floor trunking systems for various industrial and commercial projects. Albert Hoo – Provides pre-galvanized and electro-galvanized steel cable trays with innovative features like boltless couplers and on-site fabrication options.

Considerations for Selection

When choosing a cable tray brand in Singapore, consider: Material and durability – Steel, galvanized, or FRP options depending on environmental conditions. Type of tray – Ladder, perforated, wire mesh, or trunking systems. Project scale – Industrial vs. commercial or residential requirements.

Customization needs – Some suppliers like Foresight Metal Engineering offer tailored solutions. Availability and delivery – Local suppliers like RS Singapore provide online ordering and next-day delivery options. These brands and suppliers collectively cover a wide spectrum of cable management solutions, ensuring quality, compliance with standards, and adaptability to different project needs in Singapore.
