

Which company offers mesh cable trays in Samoa

Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories. Since then, we have dedicated all our experience and technical...

Key Takeaways

VALDINOX and other international suppliers offer mesh cable trays suitable for Samoa, with local B2B marketplaces connecting buyers to manufacturers.

Local and Regional Suppliers

Samoa has listings for cable mesh tray manufacturers and importers through B2B platforms, allowing businesses to connect with verified suppliers for bulk purchases. These platforms provide access to a variety of mesh cable trays, including standard and custom sizes, and often include installation accessories.

International Manufacturers

Several international companies supply high-quality wire mesh cable trays that can be shipped to Samoa: VALDINOX: Specializes in EASYCONNECT mesh cable trays, known for durability and secure installation. They offer a wide range of supports and accessories for industrial and commercial projects. Legrand (Cablofil brand): A European manufacturer offering wire mesh trays that are easy to install and adaptable for various applications, compliant with EN 61537 and ISO 9001 standards.

Kable Kontrol: Provides electro-zinc wire basket cable trays in multiple sizes, suitable for offices, data centers, and industrial facilities, with UL-listed options.

Considerations for Procurement

When sourcing mesh cable trays for Samoa: Shipping and Import: Check if the supplier ships to Samoa or if a local distributor is available. Standards and Certification: Ensure trays meet safety and quality standards such as UL, ISO 9001, or EN 61537. Project Requirements: Choose trays based on load capacity, ventilation needs, and installation environment (indoor, outdoor, or coastal conditions).

By leveraging both local B2B marketplaces and international suppliers, businesses in Samoa can access a wide range of mesh cable trays suitable for commercial, industrial, and infrastructure projects.
