

Which places in Qatar manufacture cable trays

Overview

Cable Tray Wire Supplier & Manufacturer in Qatar We are the leading cable tray & Wire supplier and manufacturer in Qatar and our objective is to offer high.

Key Takeaways

Cable trays in Qatar are manufactured by companies such as Altura Industries, Qatar Technical, Adastra WLL, Triple M Qatar, and ServeGas.

Key Manufacturers

Altura Industries is a leading cable tray manufacturer in Qatar, offering a wide range of cable management systems including cable ladders, wire basket trays, and GRP/FRP trays suitable for harsh environments like petrochemical and marine industries. Their products comply with BS EN 61537: 2007 standards and are designed for smooth cable pulling and efficient installation. Qatar Technical provides cable support systems including cable trays, cable trunking, and cable ladders.

They manufacture trays from pre-galvanized steel, with options for hot-dip galvanization. Their trays are available in solid and perforated designs to support various industrial and building applications.

Adastra WL

L specializes in premium cable mesh tray systems and accessories. They manufacture Metalico perforated and solid cable trays in standard 3-meter lengths, meeting international quality standards for industrial, commercial, and residential applications. Triple M Qatar supplies cable trays and accessories in materials such as pre-galvanized steel, hot-dip galvanized steel, stainless steel, and aluminum.

They offer light, medium, heavy, and very heavy-duty trays with varying thicknesses and dimensions to suit different installation requirements.

Serve

Gas in Doha provides cable and cable tray solutions for efficient cable management across multiple applications, acting as both a supplier and manufacturer of industry-standard cable trays.

Materials and Standards

These manufacturers produce cable trays using steel, stainless steel, aluminum, and GRP/FRP, with options for galvanized coatings to resist corrosion. Products are designed to meet international standards and support heavy-duty industrial, commercial, and residential installations.

Summary

For sourcing cable trays in Qatar, Altura Industries, Qatar Technical, Adastra WLL, Triple M Qatar, and ServeGas are the primary manufacturers. They offer a variety of tray types, materials, and customization options to meet local and international standards, ensuring reliable cable management solutions for diverse applications.
